

RESOLUTION NO. 28-2013

Authorizing a Variance from Worthington Code Chapter 901 of the Codified Ordinances of the City of Worthington to Permit Construction of a Non-Standard Street Comprising Worthington Galena Road Between Sancus Boulevard and the Huntley Road / Wilson Bridge Road Intersection.

WHEREAS, Section 901.10 of the Codified Ordinances of the City of Worthington requires that streets be constructed in accordance with standard drawings adopted by the City; and,

WHEREAS, the Ohio Department of Transportation wishes to construct improvements to Worthington Galena Road between Sancus Boulevard and the Huntley Road / Wilson Bridge Road intersection for the improvement of traffic management, which improvements vary from the City's standard drawings; and,

WHEREAS, the Director of Service and Engineering believes that the proposed improvements will be beneficial to area traffic management both during construction and after completion of the US23 / I270 project; and,

WHEREAS, Section 901.12 of the Codified Ordinances allows City Council to grant variances from the aforementioned Code requirement by resolution.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Municipality of Worthington, County of Franklin, State of Ohio:

SECTION 1. That a variance to the City's standard drawings established pursuant to Section 901.10 of the City's Codified Ordinances is hereby granted to the Ohio Department of Transportation to construct improvements to Worthington Galena Road between Sancus Boulevard and the Huntley Road / Wilson Bridge Road intersection, as per plans approved by the Director of Service and Engineering.

SECTION 2. That the Clerk be instructed to record this Resolution in the appropriate record book.
