Worthington Parks and Recreation Photograph Policy

Photographs/videos are occasionally taken of participants of activities and visitors to facilities of the Worthington Parks and Recreation Department. These photographs/videos are used to promote Parks and Recreation programming and facilities in future Activity Brochures and a variety of other City of Worthington publications and social media. If you prefer that you or your child not be photographed during a registered program, you must “opt-out” on or before the first day of each listed course by completing an “opt-out” form at the Department’s registration desk. For any non-registered activities or visits to our parks or facilities, please notify the photographer if you prefer that you or your child not be photographed.
