What Is Visioning?

- Collaboratively developing consensus around the desired future for Worthington to set goals, make plans and solve problems
- Worthington residents actively engaging in respectful discussion and exercises about alternative futures
- Working toward broad agreement about preferred futures, leading to implementation strategies involving changes in public policy and actions
- Goal is to inform, engage and listen to community members aspirations for the future

You are invited to an Educational Workshop and SOAR Analysis as part of Vision Worthington. The SOAR Analysis will assist us to understand the City’s strengths, opportunities, aspirations and results in order to develop our collective vision of the next 10-20 years.

BACKGROUND
The Visioning Committee is a 13-member group of residents, appointed by City Council to lead a resident-driven, City-wide visioning project. The Visioning Committee’s administrative purpose is to manage the Visioning Process in close consultation with Worthington residents. The Visioning Committee began meeting in fall 2019 and plans to complete its work by fall 2020. This vision will be presented to City Council.

HOW WILL SOAR DATA BE USED
The feedback and insights generated from this meeting will be fundamental to the Visioning process and final report. These results will be carefully recorded and used in the development of goals and action steps.

WHAT TO EXPECT
The consultants will give a brief overview of the visioning process and the work that has been completed to date. Most of the meeting will be dedicated to small group discussions about collective perceptions of what makes Worthington unique. Poggemeyer Design Group (consultant) will lead participants through a SOAR analysis process, which will include some collaborative group work. PDG and the Visioning Committee will create a safe space for discussion and ensure all participants will have an opportunity to share their ideas and perspectives. Participants will learn from each other as we hear from all.

WHERE
Worthington Education Center Board Room
200 E. Wilson Bridge Road
Worthington, Ohio 43085

WHAT
