The back of this newsletter has the full schedule.**

### Update!

As we endure another month of being closed, we know that when we do open again it will be in a phased approach. However, programs we are able to bring back in person will be scheduled at the Community Center. These programs will be listed in our December newsletter. We will continue to monitor the case numbers and follow the advice of our local officials and health department. An announcement will be made as soon as we have established a reopening date. When we do return to the Griswold Center, it will be in a limited fashion in order to remain safe. Registration will be required for these programs and there will be no drop in activities. We thank you for your continued patience.

**Our "deer"

## Helpful suggestions when joining a WPRD Zoom program:

- Please make sure your name is visible so we can accurately record attendance.
- You may need to “rename” yourself if it only indicates “Ipad” or “B’s Ipad” is in class
- Be aware of your background when joining with video to make sure there are no inappropriate images
- To reduce background noise you may be muted during the class
- Use the chat and reaction features to raise your hand (virtually) and ask questions
