December Update!
2020 is coming to a close and I think we can all agree it didn’t go as planned. I hope as you read this newsletter you are well and healthy and continuing to find ways to stay positive and busy. While I was anticipating being able to share a date of return to the Griswold by now, at this point a date has not been set. Staff will continue to bring you options of programming virtually along with those that can be safely conducted at the Community Center, so be sure to check out all that’s offered in this month’s calendar. As we get closer to the New Year, be sure to check the website for any updates and plans for the winter.

Happy Birthday to our customers born in the month of December!

Mission Statement
To create community through exceptional parks, programs, facilities, and events.
